Subject: Dimock Residential Groundwater Site: Cabot's Response to EPA 104(e) dtd 1/06/2012

Jason,

As I previously mentioned, PADEP is interested in receiving the information Cabot is sending to EPA in response to EPA's January 6, 2012 CERCLA 104(e) letter. I had requested that Cabot copy PADEP on its submissions to EPA, however, I received your February 10, 2012 letter and discs today and saw that PADEP was not copied. PADEP was not copied on your February 3, 2012 letter either.

The recipient at PADEP should be Scott Perry, Deputy Secretary of PADEP's Office of Oil and Gas Management, at the address below:

Scott R. Perry | Deputy Secretary
Bureau of Oil and Gas Management
Department of Environmental Protection
Rachel Carson State Office Building
400 Market Street | Harrisburg, PA 17101
Phone: 717.772.2199 | Fax: 717.772.2291

Thank you for your assistance with this.

Regards,
Humane Zia
